Ms Rosemary Boaz Proprietor

Rhydd Barn continues to offer a high standard of comfortable well maintained accommodation for its market.

Mrs Boaz, the Proprietor clearly takes great pride in the barn and is very much to be commended on the continued investment and maintaining of these high standards helping ensure that market expectations continue to be maintained.

It is therefore a pleasure to once again reconfirm the Four Star Self catering rating with Gold Award for another year reflecting the care and attention afforded by the Proprietor, and fully deserving.

Congratulations to you all!!

It is also understood that the Proprietors feel the current rating meets well with the market expectations and business levels catered for and we wish them all the very best for a successful coming season, despite the strange and unknown circumstances we all find ourselves in. Wishing all, all the very best for the future and stay safe and well.

Walkers Accreditation also confirmed for another year.

Highlights

A great location for exploring the Malvern Hills and surrounding area.

The Proprietor is to be congratulated on the continued investment and of standards. This past year as well as ongoing redecoration, investment has included:

Excellent to see the general repainting of exterior stonework and paintwork helping to lift overall initial impressions. The rear of the barn to be completed shortly.

The new external light a great benefit in enhancing safe access to the barn.

New concrete fencing spurs and lead post toppers adding to the support and longevity of the wood.

The sewage tank also having been serviced along with various improvements to fencing.

The Stable has also had a heater installed and new shelving racks provided greatly enhancing storage of both personal items and cleaning, linen and other items associated with the barn. All enhancing access and use.

The new USB sockets a great asset and sure to be appreciated by both new and returning guests.

Again, the ongoing replacing and upgrading of kitchen utensils helps to further meet with market expectations. A new external vent and cover also having been installed here.

Additional bed linen and bedding enhancing safety as regards Covid concerns.

Great to see that the web site is being updated on an ongoing basis with new pictures added as and when along with "news".

Special mention should also once again be given for the very high standards of cleanliness noted on this visit, and for which Sharon and Ms Boaz are to be congratulated.
