Ms Rosemary Boaz Proprietor

---

Rhydd Barn continues to offer comfortable very well well maintained accommodation for its market. Mrs Boaz, the Proprietor and her team clearly take great pride in the barn, this being very much reflected in the high standards achieved and maintained and for which all are to be congratulated. A real credit to you all. Well done! This also reflected in the number of return guests, a real testament to the commitment to the business of the owners and team.

It is therefore a pleasure to once again reconfirm the Four Star Self catering rating along with Gold Award for another year reflecting this, and fully deserving. Congratulations to you all!!

It is also understood that the Proprietors feel the current rating and award meets well with the market expectations and business levels catered for and we wish them all the very best for a successful coming 2024 Season, and stay safe and well one and all.

Walkers Accreditation also confirmed for another year.

Cyclists Accreditation also confirmed for the coming year.
